# Tack Barn Grand Opening

April 10<sup>th</sup>, 2010  
1725 Edwardsville Rd  
Hardy, Va 24101

The RVHR Tack Barn  
will be open to the public with items for sale that have  
been donated by our wonderful supporters over the past  
7 years.

**The barn will be open every other Saturday and Sunday  
from 11am to 5 Pm**

Items will include saddles, turn out blankets, equine medical supplies, halters, grooming supplies and so much more.

Until now so many of these items have just been sitting in our storage barn. Now RVHR want to offer them to you. These items will be reasonably priced and sold to help defer our growing monthly costs to care for the unwanted horses at the facility. So before you go looking online or elsewhere give us a look we just might have it and for less.

Need more information or you like to donate a few items give us a call at
